Thanks for the communications to date and to learn that the New Year started well with you and your Company is fine. For us in SEKU things are also fine and the New Year has started well.

Concerning the signing of the MOU between SEKU and TATA Chemical Limited by the CEOs of the two Institutions I am pleased to inform you that our Vice Chancellor Prof. Geoffrey Muluvi will be available on Friday 16th January, 2015, for this occasion. We are pleased to learn your CEO and his team will be available to come to SEKU Main Campus in Kitui County for this occasion.

According to our schedule we will be waiting for you so that we can start the occasion at 11 am on that day.

Thank you very much and God bless you.

Yours Sincerely,

Prof Eliud M Mathu,  
Director,  
Institute of Mining and Mineral Processing,  
SEKU
