

SOUTH EASTERN KENYA UNIVERSITY

ISO 9001:2008 Certification Celebration

Systems for provision of quality higher education put in place

**Message from the Cabinet Secretary,
Ministry of Education, Science & Technology,
Prof. Jacob Kaimenyi, PhD, FCID, EBS.**

It gives me great pleasure to join the South Eastern Kenya University Community in celebrating the ISO 9001:2008 certification. This is an important achievement indicating that the South Eastern Kenya University has now put in place systems for providing quality higher education. I therefore wish to take this opportunity to congratulate the University Council, Management, staff and students for their dedication in ensuring that the University attains this coveted status. With this advancement, you should strive to always maintain high standards in the provision of quality education. I would like to urge you to continue refining your procedures, systems and processes so that the University can attain the vision of being a world class institution of higher learning.

Prof. Jacob Kaimenyi, PhD, FCID, EBS.
Cabinet Secretary

**Message from the Principal Secretary, State
Department of Education,
Dr. Belio R. Kipsang PhD.**

I am indeed delighted to join the South Eastern Kenya University community during this auspicious occasion when this University is celebrating its accreditation as an ISO 9001:2008 Certified Institution. This is no mean achievement considering that the South Eastern Kenya University was granted the University Charter by retired President Mwai Kibaki on 1st March, 2013. As SEKU celebrates the granting of the ISO 9001:2008 Certification, I wish to remind the university to ensure that it maintains high standards of teaching, research and innovation in line with the QMS standards.

Dr. Belio R. Kipsang PhD.
Principal Secretary
